WORK EXPERIENCE

Computer Enterprises Inc

October 2020 - Present

Associate Developer, Developer 1

Pittsburgh, PA

- Implemented multiple applications spanning different technologies for clients.
- Showcased the ability to quickly learn and apply programming concepts and languages to meet the requirements of numerous client projects.

PROFESSIONAL EXPERIENCE

E-Commerce Platform Migration & Leadership

- Led a team of interns in migrating a small business e-commerce site from WordPress & WooCommerce to Shopify to leverage a citizen developer focused approach while reducing costs.
- Held sessions with the team for Q&A, critique, and overall guidance to streamline the development process.

Power BI Report Development

- Recreated multiple reports in Power BI from other data analytics software for multiple clients looking to migrate to a modern platform.
- Led client meetings to demonstrate completed reports and verify the results are meeting expectations, making changes when necessary.

Technical Training

- Led and facilitated training in GitHub Copilot for clients of different skill levels.
- Developed project documentation and held regular training sessions with client teams to provide them with detailed instructions on maintaining any newly developed software.
